July  
2018

### FROM THE DESK OF MARCHELLE KNAPP

Summer is here! This is the time of the year that the flowers are in their full bloom and so beautiful. Campus Towers has some incredible flowers on our grounds.

A BIG Thanks to Myrtle Kruse she has weeded and pruned the big flower bed along the back of the building. This has sure made the flowers stand out. If you haven't been out to see them, go for a walk and see them.

The Campus Towers resident garden is growing. If you would like to be a part of the garden club join us on Mondays at 11:00 either in the garden or activity room depending on the weather.

This month we celebrate with Nita 41 years of service to Campus Towers. Nita has been such a blessing in our kitchen We appreciate her dedication and care she gives to all of you and the staff. When you get a chance let her know how much you appreciate her. Thank you Nita !!!!

### **The Floors are being Polished**

On the weekend of August 3<sup>rd</sup> & 4<sup>th</sup> we are having a company come and strip and wax the floors on the main floor. be aware that during the late night hours of August 4<sup>th</sup> we will need to have residents stay off of the main floors. We apologize for the inconvenience. The good news is the floors will look as good as new when they are finished. Stay tuned for more information when it gets closer.

**The winner of the  
Beautiful Balcony Contest is  
The Seventh Floor Residents!!!**

Thank you, to everyone who contributed to the beautiful balconies. Everyone is truly a winner. What wonderful spaces to sit outside and enjoy a cup of coffee or a good book. Take time to enjoy the view from the balconies.

They have extended an invitation to Campus Towers residents to come and volunteer in their garden in exchange for free produce. If you are interested, please reach out to Marchelle in the office.

**Announcement**

Our mail person has requested that we inform our residents “that the mail man is not allowed to give your mail directly to you”. They are required to put it in the mail box and have you retrieve it from the box. The mail folks are bound by federal law to follow the proper mail delivery protocols.

Thank you

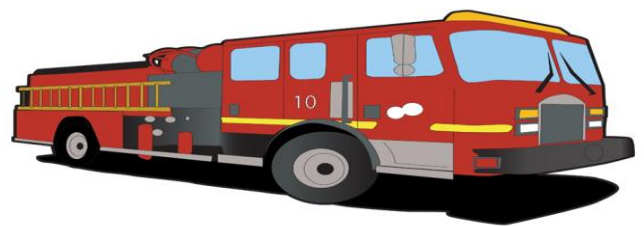

**Fire Prevention**

The Following are a list of potential fire hazards that we discussed at our safety meeting.

- Candles are not allowed at
- Campus Towers.
- Portable heaters that are warm to the touch are not allowed.
- Keep a 12 inch clearance to the sprinkler pipe in the closet of your apartment.
- If you are not using your stove contact the office to disconnect the power to it.
- Do not use your stove top for storing anything unless you have had it disconnected.
- No smoking is allowed in or around the building except in the designated smoking area.
- Do not disconnect your smoke detector, if it is beeping contact the office and we will come up and fix them for you.

One question was asked during our meeting that I didn't have an answer to was “*Where can I dispose of an expired fire extinguisher?*”

I learned that Waste Control will take them on Tuesdays and Saturdays. They are located on 3<sup>rd</sup> Avenue in Longview.

3<sup>rd</sup> floor party will be July 16<sup>th</sup> at 1:00  
4<sup>th</sup> floor party will be July 26<sup>th</sup> at 1:00

*You have asked and we heard you....* We will be going to the Dollar store on July 23<sup>rd</sup> at 1:00. Keep in mind the dollar store doesn't have any benches to sit on while we wait for the bus. Steve Shorts will be shown when we return at 2:30.

I am so excited about a new program that would bring a formal exercise program to us. The YMCA is interested in starting a group of "Silver Sneakers" here in our building. I will have a signup sheet in the office, so we can gauge interest in the program.

I am also working with a local couple who facilitate grief support groups in our area. This is a video led class that we are hoping to bring to Campus Towers this fall.
